I/we authorise LPE to direct debit the account as provided above and as prescribed through the Bulk Electronic Clearing System (BECS). I/we authorise LPE to debit the invoiced amount on the due date. Direct debit payments will commence on your next issued bill and will be ongoing until cancelled.

A credit card surcharge of 1.1% will incur when choosing credit card for your direct debit payment option.

LPE will keep all information relating to your Nominated Account at your Financial Institution confidential except to the extent that it is required to process Direct Debit transactions.

If the debit day falls on a non-business day LPE may draw the amount on the next business day.

If there are insufficient cleared funds in your Nominated Account to meet a direct debit payment:

- (a) you may be charged a dishonour fee by your Financial Institution;
- (b) you may also incur fees, charges and/or interest imposed or incurred by LPE; and
- (c) you must arrange for the applicable payment to be made by another method or arrange for sufficient cleared funds to be in your account by an agreed time so we can process the direct debit payment.
